JOYDEEP DASGUPTA

SOFTWARE DEVELOPER

+91-7439525901 joydeep6500@gmail.com Portfolio Link

CAREER OBJECTIVE

To pursue a dynamic career as a software developer specializing in web and application development. Leveraging my expertise in HTML, CSS, and JavaScript. I aim to create innovative and user-friendly websites and applications that push the boundaries of digital experiences. With a strong foundation in front-end development and a passion for crafting seamless interfaces, I aspire to contribute to projects that drive technological advancements and exceed user expectations.
